

# Knockout® Outdoor Oil & Grease Remover

A ready to use low odour formulation which easily cleans and removes stubborn oil and grease stains. Can be applied directly to the stain. Suitable for use on concrete, stone, brick paths and driveways (not suitable for tarmac) and all paving materials. Ideal for general cleaning and degreasing, grime removal and dirt. Can be applied by brush, cloth or mop.

## DIRECTIONS FOR USE

Wear appropriate personal protective equipment (PPE) such as chemical resistant gloves, overalls and eye/face protection to protect against splashes. If in doubt speak to your PPE supplier and show them this label/product, or call us for further advice.

1. Brush away all loose dirt. Test for compatibility on a small area before general use.
2. **Stain and spot removal:** Apply to stain with a brush, cloth or dampened mop. Agitate / rub the surface and leave for a maximum of 5 minutes. Rinse with clean water as necessary. Stubborn stains may require more than one treatment. Once spots/stubborn stains are removed a further application to the whole area maybe necessary to achieve a consistent surface appearance. Once complete rinse the whole area immediately with clean water.
3. Only use for stated applications. Avoid contact with grass and plants. Do not use in direct sunlight. Do not allow to dry onto surface.
