

BOILED LINSEED OIL

Not Classified according to Regulation (EC) No. 1272/2008 (CLP)

For the quicker drying and sealing of unpolished wood, e.g. garden furniture etc. Leaving a natural protection to the timber. **Note:** Do not use on Oak timbers.

PREPARATION: Test in an inconspicuous area before use.

Ensure that the surface to be treated is clean and dry.

APPLICATION: Apply Barretine Boiled Linseed Oil liberally by using a cloth or brush, removing excess after saturation.

AFTER USE: Clean equipment with Barretine White Spirit. Replace cap firmly. Store away from heat and flames. Immediately wash all soiled cloths with soapy water and dispose of safely outside the house.

HEALTH, SAFETY & ENVIRONMENTAL INFORMATION

- Keep out of reach of children.
- Keep away from sources of ignition - No smoking.
- Do not leave soiled application cloths where they may constitute a fire risk, as they are liable to spontaneous combustion.
- After contact with skin, wash immediately with soap and water.
- In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

Minimal VOC content 0% to 0.29% VOCs
(Volatile Organic Compounds) contribute to atmospheric pollution.
