

# GARDEN FURNITURE OIL

**SHAKE WELL BEFORE USE**

## PREPARATION

Remove any fungal growth, dirt or moss from the surface. It must be free from surface lacquer or varnish (use fine sanding paper if necessary). Apply Garden Furniture Cleaner to remove residues of dirt or grease whilst oily woods may require wiping with White Spirit. Allow the surface to thoroughly dry. Bare softwood should be pre-treated with a biocide, such as Barrettine Universal Preserver.

## APPLICATION

Apply product with a clean brush or lint free cloth liberally, wiping off any excess after 10 - 15 minutes and allow to dry. At least 2 coats are recommended to be applied to provide enhanced protection, allowing up to 9 hours between coats. Protect treated areas from rain, frost etc, until thoroughly dry, typically 24 - 48 hours depending upon ambient conditions. Note: To give a superior smooth finish rub down with a very fine stainless steel wire wool between coats in the direction of the grain. Coverage will depend upon absorbency of wood but upto 10m<sup>2</sup> per litre.

## MAINTENANCE

Treat furniture at least once a year as above, especially on horizontal surfaces and in very exposed conditions.

## AFTER USE

Clean brushes etc, with White Spirit.

## NOTE

Cloths used for oiling may spontaneously combust, immediately after use soak them in soapy water and then lay them flat outside on a non-combustible surface to dry.

### HEALTH, SAFETY & ENVIRONMENTAL INFORMATION Paint Product UN 1263

**Contains:** Hydrocarbons, C9-C11, n-alkanes, isoalkanes, cyclics, < 2% aromatics.

#### Hazard Statements

Flammable liquid and vapour. May cause drowsiness or dizziness. If medical advice is needed, have product container or label at hand. Keep out of reach of children. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Use only outdoors or in a well-ventilated area. Wear protective gloves, protective clothing, eye protection, face protection. Store locked up. Dispose of contents, container to a hazardous or special waste collection point.
