

# BARBECUE CLEANER

Facilitates removal of food residues from barbecues quickly and effectively. Water miscible solvent with surfactants penetrate to release and aid removal of fats and burnt residues.

**INSTRUCTIONS:** Allow barbecue to cool before cleaning. Spray directly onto surfaces to be cleaned, allow to soak for 20 minutes to penetrate then rub vigorously with stiff brush or scouring pad. If residues remain repeat application, finally rinse surfaces clean and dry steel parts before storing.

**PRECAUTIONS:** Never use on a hot grill or near hot charcoal. On painted and aluminium surfaces it is recommended a small inconspicuous area is tested. Wear suitable gloves.

## HEALTH & SAFETY ADVICE:

Causes serious eye irritation. If medical advice is needed, have product container or label at hand. Keep out of reach of children. Wash contaminated skin thoroughly after handling. Wear protective gloves, protective clothing, eye protection. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. Dispose of contents/container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation.
