**POWERFUL
DISINFECTANT**

**KILLS 99.9%
OF BACTERIA & VIRUSES**

Ready to use disinfectant cleaner for the broad spectrum control of bacteria and viruses. Do not dilute. Knock Out® Max Strength Disinfectant contains no colours or perfumes to taint surfaces. Its new generation formula kills 99.9% of viruses and bacteria.

Instructions for use: For best results heavily soiled surfaces should be cleaned prior to application. Wear household rubber gloves when handling any chemicals. Apply to surfaces using a cloth dampened/wetted with Knock Out® Max Strength Disinfectant and leave to dry.

- Take care when using on painted/varnished surfaces. Always do a test on an inconspicuous area.
- Do not mix with other cleaning chemicals or disinfectants.
- Not for use to sterilise food utensils or baby feeding equipment.
- Not for personal hygiene or use on pets.
- Test on small surface area before large-scale use.
- Use biocides safely and sustainability. This product should be used in accordance with the product label.
